The Swami has been staying in this Province for some months. He has not applied for a Rahmdari like the present. The circumstances under which these were refused in my note of January last. These are very ordinary ones. In this case the Rahmdari now proposed consists of elephants, horses, swords, guns, & Sheta Chatris and many other things and some of which are refused to those who do not appear to have any necessity for granting a Rahmdari in terms of the old ones.

The Swamigalu states that all the insignia noted in the Rahadari of 1819 are in use in his mutt at Nellipe, that he has now brought with him only some of them before expense and that during his tour, he has to travel to some place with all the insignia ~~now with him~~, and to others, with only a few of them He therefore requests that a Rahadari as prayed for by him, may be given

I am not sure about the Swamiji's vow to go to Tirupati with 30 horses, 4 elephants, 10 Camels and 15 Kumpani boys. Ask him to the effect what number he now owns & if really he wants to take him all before why they should not be allowed to take the insignia may be inspected before passing order.
